LeRoy Braun joined the meeting via cell phone.

<u>EMERGENCY WATERSHED PROTECTION PRESENTATION</u>: Dana Edwards, Civil Engineer with SD NRCS gave a presentation on the Emergency Watershed Protection (EWP) Program. The program offers technical and financial assistance to help communities and individuals recover after a natural disaster.

TOWN OF REDFIELD – ENGINEERING FOR DRINKING WATER SYSTEM: This project was presented at the November 2019 meeting and was deferred for approval until the January 2020 meeting. The Town of Redfield is requesting project assistance funds in the amount of \$50,000 for engineering fees for improvements to the drinking water system. The project will provide reliable drinking water to the residents of the City of Redfield. The current system is constructed of materials that are over 100 years old and is starting to fail. The City has had several breaks in the water lines recently. Total cost of the project is \$9,944,639; engineering is estimated to cost \$907,000. **Motion** by Director R. Braun seconded by Director Stanley to authorize cost-share assistance up to a maximum of \$50,000, not to exceed 50% of the total engineering costs, to the Town of Redfield for improvements to the drinking water system.

Motion carried on a role call vote (Nay: Amundson) (Absent: Bauer). These funds will expire on January 15, 2022.

LAKE HANSON ASSOCIATION: Lake Hanson Association Members were present to request project assistance funds in the amount of \$50,000 to repair the auxiliary spillway at Lake Hanson. The spillway was washed out in September of 2019. The project includes reconstruction of the earthen dam to control water volume and velocity entering the James River by acquiring proper fill, earth moving, and placing rip rap as needed. Total cost to repair the spillway at Lake Hanson is \$80,000. **Motion** by Director Millan seconded by Director Koupal to authorize cost-share assistance up to a maximum of \$40,000, not to exceed 50% of the total project costs, to the Lake Hanson Association to repair the spillway at Lake Hanson. **Motion carried on a role call vote (Absent: Bauer).** These funds will expire on January 15, 2022.

<u>UPDATING STREAM FLOW GAGING STATIONS</u>: The recent persistent high-water levels in area lakes and streams has prompted a renewed interest in the existing real-time water level and stream flow data available from the network of state and federal stream gages. A majority of the gages involved are run by the US Geological Survey, which the District helps fund. In addition, there are some gages managed by SD DENR. Some of these gages have been upgraded; however, 24 remaining gaging stations still require periodic, manual data downloads. There are two monitoring stations in the James River Water Development District that DENR would like to see updated. The total cost to update two monitoring stations is \$11,000. Motion by Director Amundson, seconded by Director R. Braun to authorize cost-share assistance up to a maximum of \$5,500, not to exceed 50% of the costs. **Motion carried on a role call vote (Absent: Bauer)**. These funds will expire on January 15, 2022.

<u>TOWN OF VOLIN – REPAIR WATER METERING SYSTEM</u>: The Town of Volin is requesting project assistance funds in the amount of \$9,000 to repair and/or replace faulty or worn out piping and other parts of the water metering system. No representatives where present. **Motion** by Director R. Braun, seconded by Director Amundson to defer the request until March and to be provided bids for the project and water rates of the Town of Volin. **Motion carried**.

2020 TREE PLANTING SUPPORT TO CONSERVATION DISTRICTS: The District office received several letters from the local Conservation Districts for continued support to help producers within the District with tree planting efforts. **Motion** by Director R. Braun, seconded by Director Stanley to authorize cost-sharing assistance to the Conservation Districts to help producers with tree planting efforts in the amount of \$157,500. **Motion passed on a role call vote (Absent Bauer)**. \$15,000 will be allocated to the following Conservation Districts; Beadle, Brown-Marshall, Davison, Hanson, Hutchinson, Marshall, Sanborn, South Brown, Spink and Yankton. \$7,500 will be allocated to Aurora Conservation. These funds will expire on December 31, 2020.

ENHANCED CRP PROGRAM: The James River Water Development District is committed to improving water quality within the James River watershed through the Enhanced CRP Program available now for a number of USDA Continuous CRP practices. The JRWDD Enhanced CRP program consists of a one-time, up-front, 75% incentive payment of the CRP base-rate in addition to the producers regular CRP payment for the following practices; CP8A – Grass Waterways, CP21 – Filter Strips, CP22 – Riparian Buffer, CP29 – Marginal Pastureland Wildlife Habitat Buffer, CP30 – Marginal Pastureland Wetland Buffer. Motion by Director R. Braun, seconded by Director Amundson to authorize \$50,000 in new cost-sharing assistance for the CRP Program. Motion carried on a role call vote (Absent: Bauer). These funds will expire on December 31, 2020.

<u>SOUTH CENTRAL WATERSHED PROJECT UPDATE</u>: The James River Water Development District is committed to continue the implementation of Best Management Practices (BMPs), which have been successful in the South Central Watershed Implementation Project. **Motion** by Director Koupal, seconded by Director Wiese to authorize \$28,930 in cost-sharing assistance for the South Central Watershed Project Segment 1. **Motion carried on a role call vote (Absent: Bauer).** These funds will expire on December 31, 2020.

<u>SOUTH CENTRAL WATERSHED PROJECT UPDATE</u>: Rocky Knippling updated the Board on the South Central Watershed Project.

- Staff is currently writing a new grant/proposal for additional RCCP funds.
- Staff will be submitting an application for EQIP Funds
- Received \$400,000 from the SD Nonpoint Task Force in December 2019

<u>DISTRICT UPDATE</u>: Staff and Directors reported on the following activities of the District:

- Included in the board packet, by Dave Bartel, was a log of meetings attended, project site visits and other items he has been working on.
- Since the last meeting two emergency bank stabilization projects where brought to the office.
 The Manager and the Area Director viewed the projects and payments for the two projects were processed in December 2019.
- Rocky Knippling, Shane Deranleau and Matthew Cavenee will be receiving a one-time supplemental salary for 2020 for all their hard work and dedication to the South Central Watershed Implementation Project, Central South Dakota Water Quality Monitoring Project, and Firesteel Creek Project.
- The current terms of office for Director 2, Director 4, Director 6 and Director 8 will expire on December 31, 2020. Nominating petitions may be circulated starting on January 1st, 2020 and must be turned in no later than 5:00 p.m. on March 31, 2020 to the South Dakota Secretary of State's Office.

<u>BOARD OF DIRECTOR AND STAFF REIMBURSEMENTS</u>: **Motion** by Director Koupal, seconded by Director Amundson to approve staff and Director expenses. **Motion passed**.

NEXT MEETING: The next meeting will be held March 12, 2020 in Huron, SD at 9:00 am.

ADJOURN: Being no further business, Chairman Klimisch declared the meeting adjourned at 2:50 pm.

Respectfully submitted:

Secretary
